## BOOK SYNOPSIS

In *Incurable Me*, a maverick physician brings transparency to some of medicine's most closely guarded secrets. As he establishes a link between commerce and medical research, K. P. Stoller also explains how to treat some of the most worrisome diseases and conditions afflicting humans today—including Lyme disease, brain trauma, dementia, and autism. Dr. Stoller maintains that the best evidence in medical research is not incorporated into clinical practice unless the medical cartel has the potential to make large amounts of money promoting the results of the research. Stoller takes his provocative argument a step further, maintaining that if specific research conflicts with a powerful entity's financial interests, the likely result will be an effort to suppress or distort the results. Stoller cites numerous examples, including corporate influence on GMO labeling and public health. Stoller also explores how "revolving-door-employment" between the Centers for Disease Control and large pharmaceutical companies can affect research results—as well as our health. Written in an accessible style that is thoroughly appropriate for a lay audience, *Incurable Me* is a must-read for anyone interested in the state of modern medicine.

### **INCURABLE ME WHY THE BEST MEDICAL RESEARCH DOES NOT MAKE IT INTO CLINICAL PRACTICE**

- Are you looking for Ebook *Incurable Me Why The Best Medical Research Does Not Make It Into Clinical Practice*? You will be glad to know that right now *Incurable Me Why The Best Medical Research Does Not Make It Into Clinical Practice* is available on our online library. With our online resources, you can find *Applied Numerical Methods With Matlab Solution Manual 3rd Edition* or just about any type of ebooks, for any type of product.

Best of all, they are entirely free to find, use and download, so there is no cost or stress at all. *Incurable Me Why The Best Medical Research Does Not Make It Into Clinical Practice* may not make exciting reading, but *Applied Numerical Methods With Matlab Solution Manual 3rd Edition* is packed with valuable instructions, information and warnings. We also have many ebooks and user guide is also related with *Incurable Me Why The Best Medical Research Does Not Make It Into Clinical Practice* and many other ebooks.

We have made it easy for you to find a PDF Ebooks without any digging. And by having access to our ebooks online or by storing it on your computer, you have convenient answers with *Incurable Me Why The Best Medical Research Does Not Make It Into Clinical Practice*. To get started finding *Incurable Me Why The Best Medical Research Does Not Make It Into Clinical Practice*, you are right to find our website which has a comprehensive collection of manuals listed.
