BOOK SYNOPSIS

Being diagnosed with Parkinsons disease can be distressing, and adjusting to the effects of the disease can be difficult. The second edition of Parkinsons Disease: 300 Tips for Making Life Easier will help readers lead a remarkably unlimited life. Filled with tips, techniques, and shortcuts readers will learn basic lessons for conserving time and energy, enabling them to do more of the things they want to do.

Throughout the book, specially marked tips are provided for those who provide care and support for people with this disease. By adapting their routine, making their homes more accessible, and keeping a positive outlook, readers will have the power to take control of their life and rise above the challenges of PD.
