BOOK SYNOPSIS

In A. American's first novel, *Going Home* (Plume, 2015), readers were introduced to Morgan Carter, the resourceful, tough-as-nails survivalist who embarks on a treacherous 250-mile journey across Florida following the collapse of the nation's power grid. Now reunited with his loving wife and daughters, Morgan knows that their happiness is fleeting, as the worst is yet to come. Though Morgan has been diligently preparing for emergency situations for years, many of his neighbours are completely unready for life in this strange new world - and they're starting to get restless.
